Say You'll Be There (Single Mix)

Spice Girls

Oh, say you'll be thereI'm giving you everything
All that joy can bring

This I swearLast time that we had this conversation

I decided we should be friends, hey

But now, we're going 'round in circles

Tell me will this déjà vu never end, oh

And now you tell me that you're falling in love

Well I never ever thought that would be, eh

This time, you gotta take it easy

Throwing far too much emotions at me

But any fool can see they're falling

I gotta make you understandI'm giving you everything

All that joy can bring

This I swear (I'll give you everything)

And all that I want from you

Is a promise you will be there

Say you will be there, ow

Say you will be there

Won't you sing it with meIf you put two and two together

You will see what our friendship is for, oh

If you can't work this equation

Then I guess I'll have to show you the door

There is no need to say you love me

It would be better left unsaid

I'm (I'm) giving you everything (I'll give you everything)

All that joy can bring (All that joy can bring)

This I swear (Yes, I swear)

And (And) all that I want from you (All I want from you)

Is a promise you'll be there (Is a promise you)

Yeah, I want youAny fool can see they're falling

I gotta make you understandI'll give you everything, on this I swear

Just promise you'll always be thereI'm giving you everything (I'm giving you everything)

All that joy can bring (All that joy can bring)

This I swear (Yes, I swear)

And all that I want from you (All that I want from you)

Is a promise you (I want you to promise to)

Will be there (Always be there)I'm giving you everything (I'm giving you everything)

All that joy can bring (All that joy can bring)

This I swear (Yes, I swear)

And all that I want from you (All that I want from you)

Is a promise you (I want you to promise to)

Will be there (Always be there)

I'm giving you everything (I'm giving you everything)
All that joy can bring (All that joy can bring)
This I swear (Yes, I swear)
And all that I want from you (All that I want from you)
Is a promise you (I want you to promise to)
Will be there
