

# Million

## Tink

Your love is a one in a million  
It goes on and on and on  
You give me a really good feeling  
All...  
Million, million A million, million, million, people tell me not  
To trust in you  
But there's a million, million, million, million reasons why  
I fuck with you  
Cause you touch my spirit, can you feel it, give me that  
There's a passion for it, can't ignore it, give me that, love  
Cause your love give me goosebumps  
You're the right one when I need some, I call you  
Real love never gives up on a Tuesday  
If it does rain, you come through  
Your love's like a big hug on a bad day  
Just what I need in my life  
You're on in a million  
When I wake was the first thing on my mind Your love's like my drug, I can't live without it  
That's just what you do to me boy  
For your love I'd proudly climb a mountain  
Cause that's just what you do to me boy  
You are, yeah, yeah, you are  
One in a million, one in a million, one in a million to me  
You are, yeah, yeah, you are  
One in a million, one in a million, one in a million to me  
Goes on and on and on  
(Somethin' you do to me)  
Goes on and on and on  
(Somethin' you do to me)  
Goes on and on and on  
(Somethin' you do to me)  
Goes on and on and on  
(Somethin' you do to me) Your love's like a back rub when I back up  
And you catch what I throw down  
Your love's what I breathe from, I would go numb  
If you left me here right now  
Our love gets stronger when we break up  
We'll be right back in no time  
And our love's made of concrete when you rock me  
I just feel so safe and I fuck with you, in love with you, I run with you, oh yeah  
I fuck with you, in love with you, I run with you, oh yeah Your love's like my drug, I can't live  
without it
