Million

Tink

Your love is a one in a million
It goes on and on and on
You give me a really good feeling
All...

Million, million, million, million, people tell me not

To trust in you

But there's a million, million, million, million reasons why

I fuck with you

Cause you touch my spirit, can you feel it, give me that

There's a passion for it, can't ignore it, give me that, love

Cause your love give me goosebumps

Your the right one when I need some, I call you

Real love never gives up on a Tuesday

If it does rain, you come through

Your love's like a big hug on a bad day

Just what I need in my life

You're on in a million

When I wake was the first thing on my mindYour love's like my drug, I can't live without it

That's just what you do to me boy

For your love I'd proudly climb a mountain

Cause that's just what you do to me boy

You are, yeah, yeah, you are

One in a million, one in a million, one in a million to me

You are, yeah, yeah, you are

One in a million, one in a million, one in a million to me

Goes on and on and on

(Somethin' you do to me)

Goes on and on and on

(Somethin' you do to me)

Goes on and on and on

(Somethin' you do to me)

Goes on and on and on

(Somethin' you do to me) Your love's like a back rub when I back up

And you catch what I throw down

Your love's what I breathe from, I would go numb

If you left me here right now

Our love gets stronger when we break up

We'll be right back in no time

And our love's made of concrete when you rock me

I just feel so safe andI fuck with you, in love with you, I run with you, oh yeah I fuck with you, in love with you, I run with you, oh yeahYour love's like my drug, I can't live

without it

That's just what you do to me boy For your love I'd proudly climb a mountain Cause that's just what you do to me boy

You are, yeah, yeah, you are

One in a million, one in a million, one in a million to me

You are, yeah, yeah, you are

One in a million, one in a million, one in a million to meGoes on and on and on

(Somethin' you do to me)

Goes on and on and on

(Somethin' you do to me)

Goes on and on and on

(Somethin' you do to me)

Goes on and on and on

(Somethin' you do to me) You give me a really good feelin'

You can make life worth livin'

You can be the piece i'm missin'

Love is amazing, we get through when we just listen

You can be the voice I carry

You can be the nigga I marry

We can have this for a very

Long time, what's the wrong time

When the right time is a life time

You remember back when I fuck with you, in love with you, I run with you, oh yeah I fuck with you, in love with you, I run with you, oh yeah I fuck with you, in love with you, I run with you, oh yeah

I fuck with you, in love with you, I run with you, oh yeahI fuck with you, in love with you, I run with you, oh yeah
