## Away (feat. Sean Garrett)

## **Enrique Iglesias**

Away, away, oh away awayThis feels like the coldest day in a hurricane looking through a glass window

And you screaming to the top of yours lungs, and the bells done rung

And the crowd can't hear you

And all that i can see is a building burning

I just gotta rescue my baby

But you don't even recognize meAnd even though the feeling's been gone i just wanna be here
To pick up the little pieces of remains

I'm going down the plane is smoking

And the only one who can save me is you but you wanna throw meAway, away, away, oh why?

I wanna know

I wanna know why you wanna throw me

Away, away, away, oh why?

I gotta know why you wanna throw me away, away, away, away, oh why?

I wanna Know why you wanna throw me away?

You used to ask why i was i so skeptic, of love

Girls cuz it changes, and it ain't got to be no real season

You start to live the dream and before you know

There's a door that open, and the moment you walk in it closeMaybe it's somebody else or a situation that you can't help

Oh love, oh love, oh love

Just ain't what it used to be

I confronted my fears with open arms

Although you said you will never give up on us but now you blow meAway, away, away,

away, oh why?

I wanna know

I wanna know why you wanna throw me

Away, away, away, oh why?

I gotta know why you wanna throw me away, away, away, away, oh why?

I wanna Know why you wanna throw me away?

Perfect we said we'd never be

So why is this happening to me

No way no way (no way)

No way no way (no way)Away, away, away, away, oh why?

I wanna know

I wanna know why you wanna throw me

Away, away, away, away, oh why?

I gotta know why you wanna throw me away, away, away, oh why?

I wanna Know why you wanna throw me away?
