

# Holy One

## Casting Crowns

God, You are my God  
Earnestly I seek You, oh, my soul  
I thirst for You  
My body aches in a dry and weary land I've seen You in Your sanctuary  
I beheld Your power and shouted glory  
My soul is full, my lips will sing Your praise  
Lift your voices Let the sound of praise be heard  
All the ends of Earth praise the Holy One  
Sing the glory of His name  
Every tongue proclaim, praise the Holy One  
You are my help  
I sing in the shadow of Your wings  
My soul will cling  
Your right hand holds me up  
You are my king, You are my God  
Lift your voices Let the sound of praise be heard  
All the ends of Earth praise the Holy One  
Sing the glory of His name  
Every tongue proclaim, praise the Holy One I will sing for Your glory  
For Your love is better than life  
I will sing for Your glory  
For Your love is better than life  
Better than life  
Let the sound of praise be heard  
All the ends of Earth praise the Holy One  
Sing the glory of His name  
Every tongue proclaim, praise the Holy One
