Broken

Trisha Yearwood

The broken clock is a comfort, it helps me sleep tonight Maybe it can stop tomorrow from stealing all my time I am here still waiting though i still have my doubts I am damaged at best, like you've already figured outI'm falling apart, I'm barely breathing With a broken heart that's still beating In the pain, there is healing In your name I find meaning So I'm holding on, I'm holding on, I'm holding on I'm barely holding on to you The broken locks were a warning you got inside my head I tried my best to be guarded, I'm an open book instead I still see your reflection inside of my eyes That are looking for a purpose, they're still looking for lifeI'm falling apart, I'm barely breathing With a broken heart that's still beating In the pain, there is healing In your name I find meaning So I'm holding on, I'm holding on, I'm holding on I'm barely holding on to youI'm hanging on another day Just to see what you throw my way And I'm hanging on to the words you say You said that I will be OK The broken lights on the freeway left me here alone I may have lost my way now, haven't forgotten my way home I'm falling apart, I'm barely breathing With a broken heart that's still beating In the pain, there is healing In your name I find meaning So I'm holding on, I'm holding on, I'm holding on I'm barely holding on to you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
