

# Who Are You

## Carrie Underwood

Who are you  
The one for whom I'd really gladly suffer  
Who are you  
The one I'll always love above another  
You're my world, you're my hope, you're all my dreams and all my heart  
Who are you  
The one I give my life to  
Who are you  
Who loves as deep as I do  
Who are you  
Who takes me through the flood and through the fire  
Who are you  
Who leads me through the desert and the dry  
You're in my thoughts, you know my mind  
You are my fate, you are my light  
Who are you  
The one I give my life to  
Who are you  
Who loves as deep as I do  
You're my savior, you're my center  
My beginning and my end  
You're the one I live for, you're my angel  
Who are you  
You're in my thoughts (in my thoughts)  
You know my mind (you know my mind)  
You are my fate, you are my light  
Who are you  
The one I give my life to  
Who are you  
Who loves as deep as I do  
Who are you  
Who fell on me like fire  
Who are you  
Who takes me through desire  
Who are you  
The one I give my life to.
