

Too Much, Too Little, Too Late

Johnny Mathis & Deniece Williams

Guess it's over, call it a day
Sorry that it had to end this way
No reason to pretend
We knew it had to end some day, this way
Yes, it's over, the kids are gone
What's the use of tryin' to hang on?
Somewhere we lost the key
So little left for you and me and it's clear to see
Too Much, Too Little, Too Late to lie again with you
Too Much, Too Little, Too Late to try again with you
We're in the middle of ending something that we knew
It's over
Oh, it was over
Too Much, Too Little, Too Late to ever try again
Too Much, Too Little, Too Late, let's end it being friends
Too Much, Too Little, Too Late, we knew it had to end
Ah, it's over
It's over
Yes, it's over, the chips are down (whoa)
Nearly all our bridges tumbled down
Whatever chance we try, let's face it widened-eye
It's over (It's over)
It's over
Too Much, Too Little, Too Late to ever try again
Too Much, Too Little, Too Late, let's end it being friends
Too Much, Too Little, Too Late, we knew it had to end
And it's over
And it's over
And it's over Too Much, Too Little, Too Late to ever try again
Too Much, Too Little, Too Late, let's end it being friends
