Crime Mob ho, Crime Mob ho
Hey, this ya boy Lil Scrappy
Tha Prince of Crunk
Yeah, Lil J on tha track nigga
Ay, it's time for all security to get around
It's going downYeah, well, I'ma gat totin', pistol holdin'
Nigga on yo damn street stompin', jumpin', bumpin'
And get crunk off in this damn thang
Throwin' dem bows up at dez hoes
They screamin', they bleedin' from they noseBut when we start to swang we makin' niggas hit
the flo'
Ain't no game off in this thang we too deep off yo party
Crime Mob niggas gettin' started, Ellenwood niggas be the hardest
So if a nigga come and run his mouth just like ho
Punch him dead up in his nose and stomp his ass down to the flo'
Yeah we knuckin' and buckin' and ready to fight
I bet I'ma throw dem thangs
So haters best to think twice and Crime Mob it ain't no stoppin'
Tag team like Saddam Husein, Hitler and Osama Bin Laden
Like they steady gum poppin' and I am actin' a foolI wish a hater would get crunk up on this
Crime Mob crew
Now enough is enough boy
Rough and get stuffed boy
Luck is a must boy
Knuck if buck boyKnuck if you buck, boy
Knuck if you buck, boy
Knuck if you buck, boy
