Get more groupie love than Mike Griffins

My chick gotta know how to rap, I'm Papoose

I mean I should just scorch you niggas, Scott Storch you niggas

[?] ready, real niggas on the come up

Roshes on my feet, brand new, I'm not a runner

Since Ross killed Baby, I'm the number one stunner

You ain't know me, the [?] take a number

Let the strap hang off the van doors

Sit on my corner its a gamble

Hoes ain't nothin', if I fuck 'em you could too

Look it ain't no drug bust, it ain't no [?] in here foo

But look, shit I must be, [?] halfway ugly

'Cause this haters talk shit, but look, they don't ever touch me

I'm cool but familiar with the [?], I must be

From the place where everybody got the damn munchies

'Cause niggas gettin' smoked like a blunt or two

And bitches gettin' mush like the fuckin' shrooms

[?] where that gets you

When the fear get you, don't act tough out of peer pressure

[?] face the money maker, I'ma let my peers get you

I still [?] in direction of Heaven

Hoping God hears me clearly, [?]

And praying that we all get it, man

[Verse 3: Smoke DZA & Dom Kennedy]

Huh

Let's rule the world and get these blue notes, huh

Watch Jazz at The Blue Note, huh

You can never be too low

Outspoken [?] if you too woke
Loop around wrist do it like [?]
Bought and bought the same watch two tone
Younger me when my dad drove too school, I was too grown
They was on the Pokemon wave, [?]
Keep going!
Let's make it clear like like [?]
Business started boomin' had to open up two spots
Got it cover like rooftop
Nigga how you think all my crew rock?
Rhetorical, [?]
Fuck it we pull up a few yachts
King of New York style
Huh[Outro: Dom Kennedy]
Ay
West Coast, here we go
East Coast, here we go
West Coast, here we go
East Coast, here we go
Ay
Down South, here we go
Up North, here we go
Ay for Midwest, here we go
Ay, yeah, han
King of New York style
Huh, ha, ha, ay
All the world, to the West Side
Yeah, ay, ay
