

# Just Got Started Lovin' You

James Otto

You don't have to go now honey  
Call and tell 'em you won't be in today  
Baby there ain't nothin' at the office  
So important it can't wait  
I'm thankful for the weekend  
But two days in heaven just ain't gonna do  
This is gonna take forever darlin'  
Girl I just got started lovin' you  
What's the point in fightin' what we're feelin'  
We both know we'll never win  
Ain't this what we're missin'  
Let's just stop all this resistin' and give in  
Let me wrap my arms around you  
You know you don't want to leave this room  
Come back and let me hold you darlin'  
Girl I just got started lovin' you What can I say I've never felt this way  
Girl you're like a dream come true  
After all the love we've made  
It sure would be a shame  
If we let this moment end so soon So won't you lay back down beside me  
Girl just like I know you're wantin' to  
Trust me when I tell you darlin'  
Girl I just got started lovin' you  
I'm thankful for the weekend  
But two days in heaven just ain't gonna do  
This is gonna take forever darlin'  
Girl I just got started lovin' you  
Come back and let me hold you darlin'  
Girl I just got started lovin' you
