

In Your Presence (feat. Kim Walker-Smith)

Jesus Culture

When Your Spirit rushes in
and a holy hush falls on us again
it is so far beyond a song
it's heaven on earth
With our hearts surrendered here
Come and breathe on us and change the atmosphere
We are in awe of who You are
You're heaven on earth
In Your presence
Mountains sink into the ocean
And we stand amazed
In Your glory
Chains and prison doors are broken
Where Your freedom reigns
In Your presence
In the whisper, I can hear
that You love me and there's nothing left to fear
No greater love is found within
all heaven and earth
heaven and earth
In Your presence
Mountains sink into the ocean
And we stand amazed
In Your glory
Chains and prison doors are broken
Where Your freedom reigns
In Your presence
This room is alive in Your majesty
Our sin it revived in Your mercy
Your Son glorified, our arms open wide
singing, 'Worthy! You are worthy!'
This room is alive in Your majesty
Our sin it revived in Your mercy
Your Son glorified, our arms open wide
singing, 'Worthy! You are worthy!' In Your presence
Mountains sink into the ocean
And we stand amazed
In Your glory
Chains and prison doors are broken
Where Your freedom reigns
In Your presence
Come Fill this room with Jesus

Come fill this room with your presence
We make room for you
come fill this room
Fill it up
Every space Every space
We lay down every burden every prayer
we lay it down every distraction
we lay down
holy spirit
In Your presence
Mountains sink into the ocean
And we stand amazed
In Your glory
Chains and prison doors are broken
Where Your freedom reigns
In Your presence
In Your presence
Mountains sink into the ocean
And we stand amazed
In Your glory
Chains and prison doors are broken
Where Your freedom reigns
In Your presence
