

Key to My Heart

Jessica Jarrell

Boy you put me on the spot I don't know what to say
But I'm trying anyway
Like my hearts gonna drop
My mind drifts away and I can't control the pains Words are spinning in my head
Don't know why I'm holding back
I should just tell you how I'm feeling yeah heh But I don't wanna act a fool
Don't wanna look confused
If I let you know about the way I feel
Don't know what you gonna do
So I keep it locked inside
And imagine you were mine
And I'm feeling you so close but yet so far
You hold the key to my heart
The more I brush it off
Tell myself it's nothing at all
Deeper I fall
And I imagine everyday
A thousand different ways
How you respond to what I say Am I getting lost in my dreams?
Are you unreachable to me?
Cause these butterflies just won't go away I don't wanna act a fool
Don't wanna look confused
If I let you know about the way I feel
Don't know what you gonna do
So I keep it locked inside
And imagine you were mine
And I'm feeling you so close but yet so far
You hold the key to my heart
But if I never tell you then you'll never know
And the secret is get-ting heavy to hold
This is more than just a crush
So I may stut-ter when I speak
And my knees may get a little weak
But I've got nothing to lose and only you to gain
Tell me do you feel the same But I don't wanna act a fool
Don't wanna look confused
If I let you know about the way I feel
Don't know what you gonna do
So I keep it locked inside
And imagine you were mine
And I'm feeling you so close but yet so far
You hold the key to my heart
