

# What's Love Got to Do With It

Tina Turner

You must understand  
Though the touch of your hand  
Makes my pulse react  
That it's only the thrill  
Of boy meeting girl  
Opposites attract  
It's physical  
Only logical  
You must try to ignore  
That it means more than that  
What's love got to do, got to do with it  
What's love, but a second-hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken  
It may seem to you  
That I'm acting confused  
When you're close to me  
If I tend to look dazed  
I read it some place  
I've got cause to be  
There's a name for it  
There's a phrase fits  
But whatever the reason  
You do it for me  
What's love got to do, got to do with it  
What's love, but a second-hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken  
I've been taking on a new direction  
And I have to say  
I've been thinking 'bout my own protection  
It scares me to feel this way  
What's love got to do, got to do with it  
What's love, but a second-hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken  
What's love got to do, got to do with it  
What's love, but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken
