Ziggy Stardust

David Bowie

OhOh, yeahZiggy played guitar Jamming good with Weird and Gilly And the Spiders from Mars He played it left hand But made it too far Became the special man Then we were Ziggy's bandZiggy really sang Screwed-up eyes and screwed-down hairdo Like some cat from Japan He could lick 'em by smiling He could leave 'em to hang They came on so loaded, man Well-hung and snow-white tan So where were the spiders While the fly tried to break our balls? With just the beer light to guide us So we bitched about his fans And should we crush his sweet hands? OhMm-hmmZiggy played for time Jiving us that we were voodoo The kids were just crass He was the nazz With God-given ass He took it all too far But, boy, could he play guitar Making love with his ego Ziggy sucked up into his mind, ah Like a leper messiah When the kids had killed the man I had to break up the band Oh, yeah Ooh Ziggy played guitar Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
