

The New Disease

Everclear

I heard the news today,
all about your new disease,
this is what you said you wanted,
when you walked away from me,
I heard the news today,
Yeah, I know what your friends all say,
That I'm gonna go to hell, they are probably right
I just wanna go to hell my way.I just wanna do it my way.I heard the news today,
All about your new romance,
There's always gonna be someone better than me,
I guess I never had a chance.
I heard the news today,
You are livin' by the sound of the bell,
I still believe life gets better,
When you tell them all to go to hell.
Oh, I don't wanna play your games,
I don't wanna live that way,
I don't wanna do what you tell me to do,
I don't fit inside the box you've made,
No, I will never play your games,
No, I will never live that way
No, I will never do what you tell me to do,
I just wanna do it my way.(Woah, my way.)
I wanna do it my way.
(Woah, my way.)
I wanna do it my way.
(Woah, woah woah.)
I wanna do it my way.
(Woah, woah woah.)
I wanna do it my way.
Yes, I heard the news today,
You got scars on your hands and knees,
You never woulda been so obvious,
When I was a new disease.
Yes, I heard the news today,
You are livin' by the sound of the bell,
I still believe life is better when you tell them all to go to hell,I don't wanna live that way,
I don't wanna do what you tell me to do,
I don't fit inside the box you've made,
No, I will never play your games,
No, I will never live that way
No, I don't wanna live the way you want me to live,

I just wanna live my way.(Woah, my way.) x3
I just wanna live my way.
(Woah, my way.)
I wanna live my way,
(Woah, my way.)
Yeah, I don't wanna live the way you want me to live(Woah, my way.)
I just wanna live my way.
(Woah, my way.)
I just wanna live my way.
(Woah, my way.)
I just wanna live my way.
(Woah, my way.)
(Woah, my way.)
