He's Got the Whole World In His Hands

Mahalia Jackson

He's got the whole world in His hand He's got this whole, right in His hand He's got this whole world right in His hand

He's got the whole wide world in His handHe's got the whole world right in His hand

He's got the whole world in His hand

He's got the whole world right in His hand

He's got the whole wide world in His handHe's got everybody here right in his hand

He's got everybody here right in his hand

He's got everybody here right in his hand

He's got the whole wide world in His hand

If religion was a thing, money could buy

The whole wide world in His hand

The rich would live and the poor would die

The whole wide world in His handSo bet He's got the whole world right in His hand

He's got the whole world right in His hand

He's got this great big world right in His hand

He's got the whole wide world in His hand

He's got the little bitter baby in His hand

He's got the little bitter baby right in His hand

He's got the little bitter baby in His hand

He's got the whole wide world in His hand
