Slow and Steady

Of Monsters and Men

The lights go out, I am all alone All the trees outside, are buried in the snow I spend my night, dancing with my own shadow And it holds me, and it never lets me goI move slow and steady But I feel like a waterfall Yeah I move slow and steady Past the ones that I used to knowMy dear old friend take me for a spin Two wolves in the dark running in the wind I'm letting go, but I've never felt better Passing by, all the monsters in my head And I move slow and steady But I feel like a waterfall Yeah I move slow and steady Past the ones that I used to knowAnd I'm never ready 'Cause I know, I know, I know That time won't let me Show what I want to showAnd I move slow and steady But I feel like a waterfall Yeah I move slow and steady Past the ones that I used to know. And I'm never ready 'Cause I know, I know, I know That time won't let me Show what I want to show. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
