

The Golden Road (To Unlimited Devotion)

Grateful Dead

See that girl, barefootin along,
Whistlin and singin, shes a carryin on.
Theres laughing in her eyes, dancing in her feet,
Shes a neon-light diamond and she can live on the street.
Hey hey, hey, come right away
Come and join the party every day.
Well everybodys dancin in a ring around the sun
Nobodys finished, we aint even begun.
So take off your shoes, child, and take off your hat.
Try on your wings and find our where its at.
Hey hey, hey, come right away
Come and join the party every day.
Take a vacation, fall out for a while,
Summers comin in, and its goin outta style
Cause your mothers down in memphis, wont be back till the fall.
Hey hey, hey, come right away
Come and join the party every day.
