

Electric Sea (feat. Jay Wilcox)

Joker

Oh yeah
Ah-ah
Oh yeah Standin' at the shore
A hurricane calls my name
Beyond all I dream
The electric ocean Oh yeah
Ah-ah
Oh yeah The spirit is free
Where the wild things roam
Next to the sea
The electric ocean
Ocean of love (ocean of love)
I'm thinkin' of (I'm thinkin' of)
The place to be (the place to be)
Electric sea Oh, yeah, yeah, yeah, yeah Ocean of love (ocean of love)
I'm thinkin' of (I'm thinkin' of)
The place to be (the place to be)
Electric, electric sea, ow, yeah Standin' at the shore
A velvet song calls my name
Beyond all I feel
The electric ocean Ocean of love
I'm thinkin' of
The place to be
The electric sea
Ocean of love, yeah baby (ocean of love)
I'm thinkin' of (I'm thinkin' of)
The place to be (the place to be)
The electric, the electric sea
