## If I Could Make a Living

## Clay Walker

If I could make a living out of lovin' you I'd be a millionaire in a week or two I'd be doin' what I love and lovin' what I do If I could make a living out of lovin' youEarly every mornin' when the sun comes up I'm punchin' that clock on the wall Breakin' my back just to make a buck Wishin' I was in your armsIf I could make a living out of lovin' you I'd be a millionaire in a week or two I'd be doin' what I love and lovin' what I do If I could make a living out of lovin' you I could work all day and feel right at home Lovin' that eight to five Never have to leave you here alone When I'm workin' overtimeIf I could make a living out of lovin' you I'd be a millionaire in a week or two I'd be doin' what I love and lovin' what I do If I could make a living out of lovin' youIf I could make a living out of lovin' you I'd be a millionaire in a week or two I'd be doin' what I love and lovin' what I do

I'd be a millionaire in a week or two
I'd be doin' what I love and lovin' what I do
If I could make a living out of lovin' you
If I could make a living out of lovin' you
I'd be a millionaire in a week or two
I'd be doin' what I love and lovin' what I do
If I could make a living out of lovin' you
