

Getting Ready

Miranda Lambert

Oh baby, I'm getting ready
I'm getting ready to let you go
My hands are shakin', my heart's unsteady
Oh, how I once loved you so I know all the magic's gone
Wish I had a magic wand
I would put a spell on you
You would see it as I do Ohh
I'm getting ready to let you go
Ohh
I'm getting ready to let you go
Oh baby, you're my drug
I was just your cigarette
I was nothing you could be proud of
I have lost my self respect My self respect, self respect
I have lost my self respect Ohh
(Ohh)
I'm getting ready to let you go
(I'm getting ready to let you go)
Ohh
(Ohh)
I'm getting ready to let you go
(I'm getting ready, I'm getting ready) Oh baby, baby I got no attraction
I've been waitin' and waitin' for your reaction
Sure I tried a new direction
I'm gonna give myself a resurrection
I'm getting ready, I'm getting ready
(Ohh)
I'm getting ready to let you go
(Ohh, I'm getting ready to let you go)
I'm getting ready, I'm getting ready
(Ohh)
I'm getting ready to let you go, let you go
(Ohh, I'm getting ready, I'm getting ready) Let you go
