Time After Time (Una y Otra Vez)

Cyndi Lauper

Lying in my bed I hear the clock tick and think of you Caught up in circles, confusion is nothing new

Flashback, warm nights

Almost left behindSuitcase of memories

Time after sometimes you picture me

I'm walkin' too far ahead

You're callin' to me, I can't hear what you've saidThen you say, "go slow"

I fall behind

The second hand unwinds

If you're lost, you can look and you will find meTime after time

If you fall, I will catch you, I'll be waiting

Time after time

If you're lost, you can look and you will find me

Time after time

If you fall, I will catch you, I'll be waiting

Time after time

After my picture fades and darkness has turned to gray Watching through windows, you're wondering if I'm okay

Secrets stolen

From deep inside

The drum beats out of timeIf you're lost, you can look and you will find me

Time after time

If you fall, I will catch you, I'll be waiting

Time after timeYou said, "go slow"

I fall behind

The second hand unwinds

If you're lost, you can look and you will find me

Time after time

If you fall, I will catch you, I'll be waiting

Time after time

If you're lost, you can look and you will find meTime after time

If you fall, I will catch you, I'll be waiting

Time after time

Time arter time

Time after time

Time after time
