

# Wasted

Nero

You wasted my time  
And gave me something that was never mine I don't know what I'm supposed to say  
And these words don't come easily You wasted my time  
And gave me something that was never mine I don't know what I'm supposed to say  
These words don't come easily  
You wasted my time  
These words don't come easily  
I don't know what I'm supposed to do  
Cause you are with somebody else You wasted my time  
And gave me something that was never mine  
I don't know what I'm supposed to say  
And these words don't come easily  
You wasted my time  
These words don't come easily I don't know what I'm supposed to do
