

# When I'm Gone

Albert Hammond

When I'm gone  
Will you take good care of everything  
Will you keep wearing your wedding ring  
When I'm gone And When I'm gone  
Will you take out all the photographs  
Maybe spend a moment in the past  
When I'm gone Will you miss me  
In the night  
Will your arms reach out to hold me tight  
And keep me in your dreams  
In your heart  
In your life  
Sometimes I want to run to you  
Like lovers do  
When love is new  
Just for a moment, be close to you  
Pretending I'm still holding you And even when I'm far away  
The dreams will stay  
And someday  
After we both chase our fantasies  
Love will bring you back to me When I'm gone  
I'll be thinking bout you constantly  
Cause your locked inside my memories  
From now on And I know  
That we said we needed time apart  
But your love keeps pulling in my heart  
Pulling strong  
Will you miss me  
In the night  
Will your arms reach out to hold me tight  
And even in your dreams  
In your heart  
In your life Sometimes I want to run to you  
Like lovers do  
When love is new  
Just for a moment  
be close to you  
Pretending I'm still holding you  
And even when I'm far away  
The dreams will stay  
And someday  
After we both chase our fantasies

Love will bring you back to me  
Sometimes I want to run to you  
Like lovers do  
When love is new  
Just for a moment  
be close to you  
Pretending I'm still holding you  
And even when I'm far away  
The dreams will stay  
And someday  
After we both chase our fantasies  
Love will bring you back to me.  
Sometimes I want to run to you  
Like lovers do  
When love is new  
Just for a moment  
Be close to you  
Pretending I'm still holding you
