## Clay Walker

oh look there you go again  
puttin on that smile again  
even though i know you've had a bad day  
doin this doin that  
always puttin yourself last  
a whole lotta give and not enough take  
but you can only be strong so long before you break

so.

chorus:

fall

go on and fall apart  
fall into these arms of mine  
i'll catch you everytime you

fall

go on and lose it all  
every doubt every fear  
every worry every tear

i'm right here

baby fallforget about the world tonight  
all thats wrong and all thats right  
lay your head on my shoulder let it fade away  
and if you wanna let go it's okay(chorus)

hold on
