

Goodbye Song

MKTO

Ya I'ma put your shit out on the lawn
Leave my heart and take your bone
There's nothing left to say so long (MKTO)
This is your goodbye goodbye song
La la la la la
This is your goodbye song
La la la la la I waited for you till six in the morning
You said the party was over at 4 and
No work, no calls, no text
Someones about to by my next ex next ex
And I've been sitting here watching reruns even Betty Whites lookin at me like a bum
I've called every single person I know and
I guess I don't know the one that you bonin
So what am I to do? (Girl what I'ma do)
I'm up to here with you (I'm up to here with you)
I can't believe you threw it all away (Uh oh Come on)
So I'ma put ya shit out on the lawn
Leave my heart and take your bone
Theres nothing left to say so long
This is your goodbye goodbye song
I used your pictures on the wall
You can find them in the bathroom stall
Theres nothing left to say it's all so long
This is your goodbye song

La la la la la Promises promises broken friends
Uh shoes, clothes, everything brand names
Start em on fire
Ya lite um up

We gonna dance only memories a must
So heres a toast to how we screw it up
To make sures theres a happy ending
I'm gonna hook up with your mom (Call me)
So what am I suppose to do (what am I to do)
I'm still in love with you (I'm still in love with you)
Can't believe you threw it all away
So I'ma put shit out on the lawn
Leave my heart and take your bone (take your bone)
