

La La Latch

Pentatonix

You lift my heart up when the rest of me is down
You, you enchant me even when you're not around
If there are boundaries, I will try to knock them down
I'm latching on, babe, now I know what I have found (Never)Hush, don't speak
When you spit your venom, keep it shut I hate it
When you hiss and preach
'Bout your new messiah, 'cause your theories catch fireI can't find your silver lining
I don't mean to judge
But when you read your speech, it's tiring
Enough is enoughCovering my ears like a kid
When your words mean nothing I go "la la la"
I'm turning up the volume when you speak
If my heart can't stop it, I'll find a way to block it, I go
NeverI'm so encaptured, got me wrapped up in your touch
Feel so enamored, hold me tight within your clutch
How do you do it? You got me losing every breath
What did you give me to make my heart beat out my chest?Now I got you in my space
I won't let go of you
Got you shackled in my embrace
I'm latching on to youNever let go, I wont let goI feel we're close enough (I can't find your
silver lining)
I wanna lock in your love (I don't mean to judge)
I feel we're close enough (When you read your speech, it's tiring)
I wanna lock in your love (Enough is enough)Covering my ears like a kid
And I'm latching on to you, "la la la" (Never)
I'm turning up the volume when you speak (Now I'm latching on)
If my heart can't stop it
I'll find a way to block it, I goLatchin' onto youNever
