

# What a Wonderful World

Jackie Evancho

I see trees of green  
    Ted roses too  
I see them bloom  
    For me and you  
And I think to myself  
What a wonderful world I see skies of blue  
    And clouds of white  
The bright blessed day  
The dark sacred night  
And I think to myself  
What a wonderful world  
    The colors  
    Of the rainbow  
    So pretty in the sky  
Are also on the faces Of people going by  
    I see friends  
    Shaking hands  
    Saying  
    "How do you do?"  
    They're  
    Really saying  
    "I love you"  
I hear babies cry  
I watch them grow  
They'll learn much more  
    Than I'll never know  
And I think to myself  
What a wonderful world Yes, I think to myself  
    What a wonderful world
