## **Comfort Zone**

## **Steven Halpern**

I don't want to see you go I don't even want to be there I will cover up my eyes And pray it goes away You've only lived a minute of your life I must be dreaming, please stop screaming I don't like to hear you cry You just don't know how deep that cuts me So I will cover up my eyes And it will go away You've only lived a minute of your life I must be dreaming, please stop screaming Steven, Steven, I hear my name Steven, is someone calling me? I hear my name! Steven That icy breath that whispers screams of pain I don't want to feel you die But if that's the way that God has planned you I'll put pennies on your eyes And it will go away, see? You've only lived a minute of your life I must be dreaming (Steven) Is someone calling me? No (Steven) I think I hear a voice, it's outside the door Steven, I hear my name Steven, is someone calling me? I hear my name Steven, what do you want? Steven, what do you want? What do you want? What do you want? What do you want? Steven, Steven, Steven I hear my name
