

# In My Bed (feat. Da Brat & Jermaine Dupri)

## Dru Hill

I got this feeling and I Just can't turn it loose  
That somebody's been getting next to you  
I don't want to walk around knowin' I was your fool  
'Cause being the man that I am, I just can't lose my cool  
My friends keep telling me  
About the things that's going on  
But deep in my heart, baby  
I hope that I'm wrong, yes I hope that I'm wrong  
But I know it babe  
Somebody's sleeping in my bed  
Somebody's takin' my place  
Somebody's sleepin' in my bed  
And you know just what I mean  
I come home early expecting your warm embrace  
But somethin' is wrong 'cause it's written all over your face  
It hurts so bad when I walk through the door  
But you know one damn thing baby, I ain't comin' back no more  
No, no, no  
No, don't try to tell me  
Things are still the same  
'Cause when we made love  
I heard you call out his name, call out his name  
Somebody's sleeping in my bed  
Somebody's takin' my place  
Somebody's sleepin' in my bed  
Somebody's takin' my place  
Girl, I want you to know  
I gave you money and every little thing that you need  
I gave you the world 'cause you were my girl  
But you still ran out on me  
Somebody's sleeping in my bed  
Somebody's takin' my place  
Somebody's sleepin' in my bed  
Somebody's takin' my place  
Now if you truly love me  
Then this would not be happening  
Sleeping in my bed, messin' with my head  
Oh, no, no, no  
Somebody's sleeping in my bed  
Somebody's takin' my place  
Somebody's sleepin' in my bed  
Somebody's takin' my place
