## **Pretty Little Lie**

## **Blackberry Smoke**

Come over here and sit by me
Tell me everything I wanna hear
I'll pretend that I don't see
The reason you're back over here
You look cold I'll build a fire
There's a box full of wine in the fridge
We won't talk about what's his name

That's just water under bridge Yeah, you made up your mind

But he ain't here with us tonight So kiss me one more time, cross every T and dot every I Of that pretty little lie That pretty little lie

I thought we had it all figured out There was me and there was you and him I was hoping for a chance to cross you out

But then you came walking in

And it hit me like I ain't been hit before

I guess one of us never changed

Now you and me setting on the floor

I let you get away with anything Yeah, you made up your mind But he ain't here with us tonight

So kiss me one more time,

cross every T and dot every I

Of that pretty little lie

That pretty little lie

That pretty little lie

That pretty little lie

And you made up your mind

But he ain't here with us tonight So kiss me one more time,

cross every T and dot every I

Of that pretty little lie

That pretty little lie

Your pretty little lie

That pretty little lieYeah you a damn liar

Yeah you a damn liar

Baby you a damn liar

Yeah you a damn liar
