

# Weedman

## Channel Tres

Some weed  
You know I love me some weed  
I'm addicted to the tree, to the bush  
Wake up I get my Swishers from the store  
Break it down, 'cause you know I want some more  
Don't give me that eye 'cause smokin' Indo'  
Weedman high and now I'm blowin' up his phone  
Now I'm goin' to the weedman spot  
(Ayy, nigga I-I just need a gram)  
Goin' to the weedman spot  
(Shit I put five in the tank, nigga take me with you)  
Get high for more (I just want some more)  
Ayy, I've been blowin' up your phone  
While you givin' me the run around  
I thought you was my homes  
My nigga, I thought that we go way back  
We used to smoke the Reggie  
While your momma worked at outback  
My bad, I know I owe you like damn  
But maybe I can pull up with some bitches and they friends  
Pick up or I'ma pull up in the foreign  
Nigga see me gettin' money, so he know I'm good for it  
Wake up I get my Swishers from the store  
Break it down, 'cause you know I want some more  
Don't give me that eye 'cause smokin' Indo'  
Weedman high and now I'm blowin' up his phone  
Now I'm goin' to the weedman spot  
(Ayy, you could spot me nigga  
You could, you could spot me bro)  
Goin' to the weedman spot  
(You ain't heard from the weedman though, huh)  
Get high some more (I just want some more)  
Ay nigga  
Don't you know can't assume (No)  
Yeah I'm your weedman but I also got the 'shrooms  
Slow down, I know you need the drugs  
But you know you ain't the only one that's tryna hit the plug  
I'm sorry, I ain't tryna kill your buzz  
Nigga I was on my way but now my bitches needed love  
Hey girl, why you blowin' up my phone?  
'Cause you know a nigga workin', I'ma call you when I'm home  
I wanna get high  
I need some weed  
I wanna get high  
But I can't smoke for free (I need the weedman to bring me that good shit)  
I wanna get high (I need somethin' stronger)  
I need some weed  
I wanna get high

But I can't smoke for free  
Wake up I get my Swishers from the store  
Break it down, 'cause you know I want some more  
Don't give me that eye 'cause smokin' Indo'  
Weedman high and now I'm blowin' up his phone  
I'm goin' to the weedman spot  
(I'm goin' to the weedman spot)  
Goin' to the weedman spot (Yeah, yeah)  
Goin' to the weedman spot (And you better not say nothin' to me about my smokin' habits)  
Goin' to the weedman spot (Or I'm cabbage patch punch you ass in the motherfuckin' face)  
Get high some more (I just want some more)  
Can't only have the weedman  
'Cause I, I need my tree, man  
Where you at bro? 'Cause  
You ain't pick up your phone, bro  
Like, and I don't mean, I don't mean to sound like an addict  
But uh, I need this weed, I know you got it  
Fuck, man, I'm about to start, uh, meditate
