

Making You Wait

Jill Scott

I'm making you wait for the 5th date
I need to know if you're worthy
Making you wait, never too late
I need to know if you're crazy Making you wait
I need to know that you're worthy
Making you wait, wait, wait
I'm making you wait I can't give the sweeter me so quickly
I gotta know if you're strictly
Dictation, saying what you said before
To that other girl you know
I gotta find out if it's true
I'm making you wait
I'm making you wait, never too late
I need to know if you're worthy
Making you wait, not to frustrate
I need to know if you're crazy I'm making you wait
Wait, wait, wait, wait
I'm making you you, you, you, you, you, you, you
Wait, wait, wait, wait, wait, wait
Hey, I'm making you I need to know if it's all perpetration
If it's really real what are you telling me
I need to see without any outside clarification
Baby, that's right
I really wanna do what you want me to do to you
I just can't be all easy, just satisfying and pleasing
I want the real stuff, oh baby, I want the real
Every day I turn, satisfying the noise of this mind
Never know what we might find, wait, baby, baby Wait a little while, you might see me smile
I'm making you wait
I'm making you wait
Wait, wait, wait, wait I'm worth it, you're worth it
I'm worth it, you're worth it
And you deserve it
