I Always Knew

The Vaccines

Down, down in my bones
Somewhere I'd never ever known
Right at the back of my head
It hit me like a beam of light
Hit me like a look of you eye
And I could have fell to the floor
'Cause you talk to me and it comes off the wall
You talk to me and it goes over my head
So let's go to bed before you say something real
Let's go to bed before you say how you feel
'Cause it's you

Oh Oh, It's always you Oh Oh, I always knew Oh Oh, It's you

I try my best to unwind

Nothing on my mind but you

Oblivious to all that I'll oweI'm hanging on to what I don't knowSo let's go to bed before you say something real

Let's go to bed before you say how you feel

'Cause it's you

Oh Oh, It's always you

Oh Oh, I always knew

Oh Oh, It's you

Yeah, it's youOh Oh, It's always you

Oh Oh, I always knew

Oh Oh, it's you

Well, it's you

Oh Oh it's always you

Oh Oh I always knew

Oh Oh, it's you

Oh, I knew, oh, I always knew

Yes, I always knew

Oh Oh, it's you
