

Candy Cane Jane

The Laurie Berkner Band

Her name was Candy Cane Jane, her horse had a candy cane mane, she sat by the window pane
and watched the snow come down

His name was Gum Drop Joe, he liked to play in the snow, and so together theyd go for a ride
on the horse with the mane made of candy canes

Giddy up giddy up giddy up, go, Giddy up giddy up giddy up, go
Lets go galloping galloping galloping through the snow

Her name was Candy Cane Jane, she lived on Candy Cane Lane, and it was perfectly planned
that she liked to have fun

Together Jane and Joe, they made a man out of snow, and all the snowballs theyd throw, filled
the lane where they rode on the horse with the candy cane mane

Giddy up giddy up giddy up, go, Giddy up giddy up giddy up, go
Lets go galloping galloping galloping through the snow

Giddy up giddy up giddy up, go, Giddy up giddy up giddy up, go
Lets go galloping galloping galloping through the snow

Giddy up giddy up giddy up, go, Giddy up giddy up giddy up, go
