

Your Words (feat. Harvest)

Third Day

Let me hear your words
Above all other voices
Above all the distractions in this world
Let me hear your words
Above all of the voices
Above all the distractions in this world For your words bring life
And your voice speaks promises
Lord, your love offers more
Than anything else in this world
Your words give us life that's never ending
Your words bring us love that never fails
Everything else will fade away
But what will remain
Are your words
Let us speak your words
More than ours, more than ever
Let us share your love with all the world
The grass will wither and the flowers will fall
But the word of our God will last forever
The grass will wither and the flowers will fall
But the word of our God will last forever
