

# Alligator Blood

## Bring Me the Horizon

Let's play a game of Russian roulette  
I'll load the gun, you place the bets  
Tell me, who will make it out alive  
Let's play a game of Russian roulette  
I'll load the gun, you place the bets  
Tell me, who will make it out alive  
Over and over and over again, we play the same old game  
Cards kept close to our chest, that's where your secrets kept  
So wear your poker face, hands to the fool, hands to the thief  
Fiction is bitter and you got a taste  
My alligator blood is starting to show  
I know that you know that, I know that you know  
Can't call a bluff with a dead man's hand  
My alligator blood is starting to show  
I know that you know that, I know that you know  
Can't call a bluff with a dead man's hand  
Cut me up and wear my skin  
Show me how to live  
Tear me down, clean me up  
Now spill my fucking guts  
Just help me find a way  
Just help me find a way  
Just help me find a way  
Just help me find a way  
My alligator blood is starting to show  
I know that you know that, I know that you know  
Can't call a bluff with a dead man's hand  
My alligator blood is starting to show  
I know that you know that, I know that you know  
Can't call a bluff with a dead man's hand  
Put a gun to my head and, paint the walls with my brains  
Put a gun to my head and, paint the walls  
Put a gun to my head and, paint the walls with my brains  
Put a gun to my head and, paint the walls  
Now you know  
Now you know  
Now you know you can go, you can give up trying  
Should have just called it quits  
Should have just called it quits  
Leave before it's too late.  
Now you know you can go, you can give up trying  
Should have just called it quits  
Should have just called it quits  
Leave before it's too late.  
Let's play a game of Russian roulette  
I'll load the gun, you place the bet  
Tell me who will make it out alive  
Let's play a game of Russian roulette  
I'll load the gun, you place the bet  
Tell me who will make it out alive  
Yeah!(So put a gun to my head and paint the walls with my  
fucking brain)  
Put a gun to my head and paint the walls with my brains

Put a gun to my head and paint the fucking walls
