

My My My (Ashley Beedle's New York Farm Remix)

Armand Van Helden

My, My, My

My, My, My

(Whoaaa)

Whoaa

How did we ever get this way
Where's it gonna go...My, My, My

My, My, My

(Oooh Ooooh wee)

Ooh

How we gonna make it work

What's it gonna take to do it

My, My, My

My, My, My

(Whoaaa)

Whoaa

How did we ever get this way
Where's it gonna go...My, My, My

My, My, My

(Oooh Ooooh wee)

Ooh

How we gonna make it work

What's it gonna take to do itMy, My, My

My, My, My

(Whoaaa)

Whoaa

Where's it gonna go...
