

I Want You Around

Snoh Aalegra

It's not that I don't want you here (yeah, yeah)
It's something about the way you stare into my eyes
I know that I don't make things clear (no) I fall for you every time I try to resist you
We can get away

Palm trees, beach views

Ordinary day

All I wanna hear is inner visions on replay

And sit right next to you, you

I try not to show how I feel about you

Thinking we should wait, but we don't really want to

I just wanna get away

And sit right next to you, you

I don't wanna kiss you

Yeah, I just wanna feel you

Feel you I want you around (around)

Around

I want you around (around)

Around ('round, 'round, 'round)

I want you around

Around

I want you around

Around, around, 'round, 'round

(I want you around) Come through, I think I need you here

(But) I swear it's hard to keep these feelings to myself

Now you're the one I'm thinking of

My higher ground, my rocket love

Fuck gravity, I'd rather stay up here, but...

We can get away

Palm trees, beach views

Ordinary day

All I wanna hear is inner visions on replay

And sit right next to you, you

I try not to show how I feel about you

Thinking we should wait, but we don't really want to

I just wanna get away

And sit right next to you, you I don't wanna kiss you

Yeah, I just wanna feel you

Feel you I want you around (around)

Around

I want you around (around)

Around ('round, 'round)

I want you around

(Darling, I want you, yeah, yeah)
Around
I want you around
(I want you around, yeah, yeah)
Around, around, 'round, 'round(I want you around)
(Round, 'round, 'round, 'round)
(Oh, 'round)
(Round, 'round, 'round, 'round)
(Round, 'round, 'round)
(Want you around)
