

Man to Beat

Los Lonely Boys

Said, "Hello" now, baby
Get off of your feet
And just kiss me darlin', babe And make it long and sweet
'Cuz I tell you, baby
I am the man to beat, yeah I wanna hold you closer
Yeah, hold you close to me
Just let me love you
Baby now, darlin', yeah Make it long and sweet, yeah
'Cuz I tell you, baby
I am the man to beat I wanna hold you close, now
Yeah, hold you close to me
Just let me love you, baby now
Darlin', let's make it short and sweet this time
'Cuz I tell you, baby
I am the man to beat
