

Leave the Light On

Overcoats

Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For my, my, myself
Leave the light on
For my, my, myself
You don't know me
At all
You don't know me
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
I may break down if I let you look at me
I may break down if I let you look at me
Now you see me, now you don't
Now you see me, now you don't
Going, going fast as I can
Going, going fast as I can
We don't know what we are running from
We don't know what we are running from
What if I don't make it home
You're not there and the light's not on
What if I don't make it home
You're not there and the light's not on
What if I don't, what if I don't
What if I don't, what if, what if
What if I don't make it home
You're not there and the light's not on
Leave the light on
What if I don't, what if, what if
Leave the light on
What if I don't, what if, what if
Leave the light on
What if I don't, what if, what if
Leave the light on
What if I don't, what if, what if
Leave the light on

Leave the light on
Leave the light on
Leave the light on
Leave the light on
Leave the light on
Leave the light on for myself when I come home
