You Can Get It All

Bow Wow

Uh Uh Uh, Got me like. Wooo-hooo

And when i think about you That's the first thing that come to my mind.

I'm like wooo-hooo

Baby you can get it all, you can get it all

you can get it wooo-hooo

And when i think about you

That's the first thing that come to my mind.

I'm like

Wooo-hoo

Shawtie you can get it all

you can get it all

you can get it

I know you heard my reputation You don't think i would ever do right by you You think that if you and i was in a relationship

I would never be true (be true)

You think that anything i say is straight gang and to me your just another new name

But what i'm tryna tell you for every man theres a woman that'll make him change

And i believe you the one that'll make me

but any time i try to show you you shake me

I know i make it real hard for you to take me serious

but baby girl i am (i am)

And i aint stoppin' right here, i'ma keep going And i'm gonna make sure everyday tat you keep knowing

Weather if i have to send you flowers

or talk to you on the cell-phone for few hoursi'm yellin like.

Wooo-hooo

And when i think about you

That the first thing that come to my mind.

I'm like

wooo-hooo

Baby you can get it all,

you can get it all

you can get it

wooo-hooo

And when i think about you That's the first thing that come to my mind.

I'm like

wooo-hooShawtie you can get it all you can get it all(One, one, one, one) One minute you act like you like me

and then the next you dont

You still sending me crazy emails

Like i know its just sex you want

I cant lie the sex is truly incredible

And every part of your body is so edible

I get tears from just thinking bout it

But that ain't the reason why i'm stuck and cant let you go

We got a serious serious bond

And when we kick it we have nothin' but fun I feel a whole lot of L-O-V-E between you and me

even though we still young

Just your company ain't gota get none

Talk the same lingo, understand where i'm coming fromand if anybody ask me a question about

you

i'ma tell em you the one You got me likeWooo-hooo And when i think about you

That the first thing that come to my mind.

I'm like

wooo-hooo

Baby you can get it all,

you can get it all

you can get it

wooo-hooo

And when i think about you

That's the first thing that come to my mind.I'm like

wooo-hoo

Shawtie you can get it all

you can get it all, you can get itAs long as you know that

i can have any girl i want toBaby that sexual infectual

but still i choose you to be
