

# Speakers, Bleachers And Preachers

Brandon Lay

U had a blue chain jacket and bar city  
Said you wanna go somewhere fast with me  
I picked u up  
Yeah &  
We turned it in  
U had a pro-carney's  
Postgame smile  
J town from page news for a while  
Then we broke up  
but i still turned it in  
Julian skirts in back seat  
charge more keys  
Kings lay count down radio  
Wouldn't know nothing ever one for all  
Those lo-o-ong ni-i-ights and glory days  
Between the outcomes no can change  
And no matter what will up  
Swivel that kiss  
Shutting down tai  
Shutting all miss  
The fast the car  
Move money and bar  
U left and look and leave  
There is a lot to learn from speakers and bleachers and preachers  
Story of my youth  
Speakers and bleachers and preachers  
To got a lot of growing up to do  
Crocker packet lug  
Bundle scars  
Black on my love and death shown on the stars  
With LS a AM  
Even to the gris on the bank sign  
And hey ey song by Jays  
Jays can song gonna make it dance  
When the song goes down  
Then go back on now All Those lo-o-ong ni-i-ights and glory days  
Between the outcomes no can change  
And no matter what will up  
Swivel that kiss  
Shutting down tai  
Shutting all miss  
The fast the car

Move money and bar  
U left and look and leave  
There is a lot to learn from speakers and bleachers and preachers  
Story of my youth  
Speakers and bleachers and preachers  
Still got a lot of growing up to do Thugs for my system  
marling my review still listen when my cause  
and my miss is gone now  
It was a national and humanity  
that were being wrapped and clear  
when i just could give it up in small town
