

Cardiac Arrest (feat. Robyn)

Teddybears

Hey little sister suffragette
Baby barbie on barbiturates
Slepu heads gonna wake up dead
A trail of crumbs leading from your bed So come on
And shake your bone maker
And shake your bone maker Hey little princess you look a mess
All dressed up in your sunday best
Reagan rolled up her eyes and hissed
Mommy called on the exorcist So come on
And shake your bone maker
And shake your bone maker
Ca-ca-cardiac arrest
Ca-ca-cardiac arrest
Ca-ca-cardiac arrest
Cry wolf baby make a wish
Feed the hungry with a fish
Simmer down now what's with the stress
Honey you're not on the list So come on
And shake your bone maker
And shake your bone maker Ca-ca-cardiac arrest
Ca-ca-cardiac arrest
Ca-ca-cardiac arrest
Ca-ca-cardiac arrest
Hey little sister suffragette
Baby barbie on barbiturates
So come on
Hey little sister suffragette
Baby barbie on barbiturates Ca-ca-cardiac arrest
Ca-ca-cardiac arrest
