

# Cardiac Arrest (feat. Robyn)

## Teddybears

Hey little sister suffragette  
Baby barbie on barbiturates  
Slepu heads gonna wake up dead  
A trail of crumbs leading from your bed So come on  
And shake your bone maker  
And shake your bone maker Hey little princess you look a mess  
All dressed up in your sunday best  
Reagan rolled up her eyes and hissed  
Mommy called on the exorcist So come on  
And shake your bone maker  
And shake your bone maker  
Ca-ca-cardiac arrest  
Ca-ca-cardiac arrest  
Ca-ca-cardiac arrest  
Cry wolf baby make a wish  
Feed the hungry with a fish  
Simmer down now what's with the stress  
Honey you're not on the list So come on  
And shake your bone maker  
And shake your bone maker Ca-ca-cardiac arrest  
Ca-ca-cardiac arrest  
Ca-ca-cardiac arrest  
Ca-ca-cardiac arrest  
Hey little sister suffragette  
Baby barbie on barbiturates  
So come on  
Hey little sister suffragette  
Baby barbie on barbiturates Ca-ca-cardiac arrest  
Ca-ca-cardiac arrest
