## **Gingerbread Man**

## **Melanie Martinez**

I'm frosting
I don't need a man to make my life sweet
Prince Charming
Just isn't the one that I think I need
You're thirsty

You think I give out all my shit for free

I'm bursting

Out laughing at idiocyI need a gingerbread man, the one I'll feed

The gingerbread man, the one I'll eat

One who's always crazy

Never calls me baby

That's the one that I want

All you boys are not him

(Him, him)

Can't you see?

I only want the ones who never see me

But I'm happy

I love playing these games until my heart bleeds

It bleeds jelly

'Cause you don't want someone to eat your cookie

Can someone please

Find him for me, find him for me? I need a gingerbread man, the one I'll feed

The gingerbread man, the one I'll eat

One who's always crazy

Never calls me baby

That's the one that I want

And all you boys are not him

(Him, him)

I'm the icing covering his body

I wanna hold him so close, so tightly

Baby, how do I say this politely?

Love me hard and don't be nice, please

I wanna feel your crumbs on my body

I wanna break you in pieces like me

Baby don't be so scared of biting

Wanna eat each other into nothing I need a gingerbread man, the one I'll feed

The gingerbread man, the one I'll eat

One who's always crazy

Never calls me baby

That's the one that I want

And all you boys are not him

(Him, him)
