## LuHan

Ooh ooh I'm just tryna get you in the mood  
Ooh ooh baby just show me what it do  
Now blow it like a flute ooh ooh  
Ooh ooh ooh ooh ooh  
Show me what it do ooh ooh  
Ooh ooh ooh ooh ooh  
I'm just out here with my crew  
Matter fact the troupe  
Tryna get the loot  
Swerving on you fools  
Never hitting snooze  
Yea I act fool  
Got an attitude  
But I get excused  
Everywhere I go they yelling Lu  
I tell em move move  
Got somewhere to go I'm making moves  
I been cooking up a stew  
Tell ur girl come thru  
Better get a hold or I'mma make that flower bloom ooh  
Oo yea  
She wanna ride she wanna fly so I say where  
Come inside I'll change your life better prepare  
Put in work in like the Renaissance  
Bend that body like a gymnast  
She ask me what I want  
Blow it like a flute ooh ooh  
Ooh ooh ooh ooh ooh  
Show me what it do ooh ooh  
Ooh ooh ooh ooh ooh  
Didn't Y'all get the news  
This been overdue  
Left a while ago and set up shop on the moon  
On the moon  
Ya the deer be everywhere  
Everybody scared  
Run n say ur prayers  
I'mma make it clear  
This ain't for no goons like  
You ooh  
Come at me I'll press u like some juice  
And I'm fresher than some Kools

Smoke u with that ooz  
Watch how ur girl drool  
When I pull up in that coupe  
Oo yea  
She wanna ride she wanna fly so I say where  
Come inside I'll change your life better prepare  
Put in work in like the Renaissance  
Bend that body like a gymnast  
She ask me what I want  
She wanna ride she wanna fly fly fly fly fly  
She wanna ride she wanna fly fly fly fly fly  
She wanna ride she wanna fly fly fly fly fly  
She wanna ride she wanna fly fly fly  
Fly fly fly  
Blow it like a flute ooh ooh  
Ooh ooh ooh ooh ooh  
Blow it like a flute ooh ooh  
Ooh ooh ooh ooh ooh
