

# The Bullet Train

## Choo Choo Soul

Okay kids, where going to visit a friend of mine.  
A special train in Japan. Are you ready? Let's go. Yeah, Yeah, Yeah, Yeah. Come on. In a  
beautiful land they call Japan,  
Is a train I like to call my good friend.  
The fastest train ever made and...  
They call it Shinkansen. Bullet train, Bullet train, Whoa.  
So fast.  
Bullet train, Bullet train, Whoa. Bullet train, Bullet train, Whoa.  
So fast.  
Bullet train, Bullet train, Whoa.  
Now if I was a car I'd be a ...Racing car.  
And if I was a plane I'd be a ...Jet plane.  
And if I was a truck I'd be a ...Monster truck  
But if I was a train I'd be a ...Bullet train. You can't ride the train if you don't have a ticket,  
But ya, need a ticket for the bullet train.  
Standing in line at a Japanese station  
Gonna get on the Shinkansen. You can't ride the train if you don't have a ticket,  
But ya, need a ticket for the bullet train.  
Standing in line at a Japanese station  
Gonna get on the Shinkansen Now if I was a car I'd be a ...Racing car.  
And if I was a plane I'd be a ...Jet plane.  
And if I was a truck I'd be a ...Monster truck  
But if I was a train I'd be a ...Bullet train.  
You can't ride the train if you don't have a ticket,  
But ya, need a ticket for the bullet train.  
Standing in line at a Japanese station  
Gonna get on the Shinkansen You can't ride the train if you don't have a ticket,  
But ya, need a ticket for the bullet train.  
Standing in line at a Japanese station  
Gonna get on the Shinkansen
