

# Heaven

Jamie Foxx

Tell me have you heard the story  
That took place not long ago  
Bout an angel up in heaven  
They say she up and ran away from home  
Word is she had unfinished business  
So back on earth she had to flee  
Well you know I'm so elated  
Because she's laying right here next to me  
And when God woke up that morning  
And he called out her name  
And when she did not answer  
Heaven will never ever ever be  
Heaven will never be the same  
[Background Vocal:] Heaven will never be the same [2x]  
Always dreamed that it would happen  
I just didn't know exactly where  
All my life I'd been waiting for something amazing  
Said it took a while but now I know  
So tell me can I get a witness  
If you believe in miracles  
And the proof I have is living  
And my life will never ever be  
And your life don't to be the...  
At times it seems we take for granted  
How precious life can be  
Just hold on and I'm sure you'll understand it  
Bringing into this world  
A precious boy or a girl... And when God woke up that morning  
Said where has my little angel gone  
And when she didn't an... answer  
Heaven will never ever ever be  
Heaven will never be the... same  
Yeah... Yeah
